AUTHORIZATION & RELEASE

Thank you for choosing Jonathan Feder, DMD Family Dentistry for your dental care. We hope to work with you to help you achieve excellent oral health. While recognizing the benefits of a pleasing smile and teeth that function well, you should be aware that dental treatment, like treatment of any other part of the body, has inherent risks. These are seldom great enough to offset the benefits of treatment, but should be considered when making treatment decisions. Benefits of dental treatment include: relief of pain, the ability to chew properly and enjoy eating, and the confidence and social interaction that a pleasing smile can bring. Common risks associated with virtually any dental procedure include:

- **Allergic reaction.** Dental materials and medications may trigger allergic or sensitivity reactions.
- **Long-term numbness (parasthesia).** Local anesthesia, or its administration, while almost always adequate to permit comfortable care, can result in temporary, or in rare instances, permanent numbness.
- **Muscle or joint tenderness:** Holding one's mouth open for prolonged periods of time, such as during dental treatment, can result in muscle or jaw joint tenderness. In a predisposed patient, it can precipitate a TMJ disorder.
- **Sensitivity in teeth or gums, infection, or bleeding.**
- **Swallowing or inhaling small objects.**

We follow procedural guidelines that most often lead to clinical success, but as in any other pursuit in health care, not everything always turns out the way it is planned. We will do our best to ensure that it does. Please feel free to ask questions in regard to all dental procedures that are recommended to you for yourself and for your dependent(s).

Please give us 24 hours' notice if you are unable to make your scheduled appointment. A minimum \$40.00 cancellation fee will be applied if less than 24 hours' notice is given. If you are scheduled for a longer appointment, wither with the dentist or hygienist, you may be charged a cancellation fee of \$1.00 per minute scheduled if less than 24 hours' notice is given. IF YOU HAVE DENTAL INSURANCE

As a courtesy, we will file your claim for you. We may accept direct payment from most insurance companies. MORE ABOUT YOUR FIRST VISIT WITH US

At your first visit with us, we will begin the process of learning about your current dental needs, desires, and concerns. Plan on spending about 1.5 to 2 hours with us.

We will work together in a fashion that allows you to participate and give input. Our primary goal for this appointment is to help you learn enough about your needs and options that you will be able to make educated decisions based on what you feel is best and most appropriate for you both currently and long-term.

We will achieve this by:

- Completing a careful evaluation process so you will be *fully* informed of your current status.
- Discussing all *appropriate treatment options*, including pros and cons of each approach with you.
- Helping you to *prioritize* what you would like to accomplish with us.
- Working to develop a *plan-of-action based around what is most important to you, what works best with your schedule, and your budgetary requirements*.
- Assisting you with *filing insurance* claims when necessary.

Our fee for the new patient visit is typically \$275. The new patient visit includes assessing your immediate and long-term concerns, a tooth and dental restoration evaluation, a soft tissue examination, an oral cancer screening, a periodontal examination and charting, a TMJ screening, a photographic survey, and a complete series of X-rays and diagnostic records as needed. This fee also covers a follow-up visit to go over findings from your initial visit. We ask that you be prepared to pay this fee at the time of service. For your convenience, we accept personal checks, Visa, Mastercard, Discover, and American Express.

OUR ASSURANCE TO YOU

We understand that the way we begin to work with our patients may be different than the way you have worked with previous dentists. Virtually all new patients to our practice tell us that their initial appointment was the most useful time they have ever spent with a dentist! Thus, we are fairly confident that you will likely feel this way as well.

If at any time during your visit you feel that we are not the right dental practice for you, we will not charge a fee for this first visit.

Please feel free to call us if you have any questions about your first visit with our practice. We look forward to seeing you soon!
